SEASON'S GREETINGS FROM FIN 'N FEATHER FARM...

Christmas is a time for giving—and enjoying. Smoked birds, hams and meats make rare and wonderful gifts. We know, because we have been in the business over 29 years, and have seen their tremendous acceptance throughout these years. We have perfected the art of curing and smoking in its natural habitat. Our kitchens and smokehouses are all part of the original Fin 'n Feather Farm and Milk Pail Restaurant. Everything is personally supervised and planned to make each of our products the best of its kind. We take a personal pride in this perfection.

As you're reading this Gift Guide, you'll note a variety of items. Each has been prepared and planned for the tops in gift giving—and receiving.

The earlier you order—the better for us. Zip codes appreciably speed up delivery. Our prices include prepaid shipment anywhere in the United States—with a satisfactory delivery guaranteed. Shop early. Shop the easy Fin 'n Feather way.
